

**OAR Excellence in Community Service Award...DEADLINE: Aug. 7, 2009**

The Excellence in Community Service Award recognizes an individual REALTOR (at the Board's discretion more than one person may be nominated if all were involved in the same project) who has demonstrated outstanding participation at the Local Board/Association level in planning or implementing a community service or housing needs project. All nominees must be members in good standing and be nominated by their Local Board/Association. The application must be signed by the 2009 Board/Association president, executive officer or secretary. The nominee(s) must have been involved in a 2009 Board-sponsored program. The program may exist, be new or ongoing. The award recipient will be selected by a panel of REALTOR judges. If the judges do not feel any of the applicants are worthy of consideration, the award will not be given in 2009. Winner(s) will receive an engraved plaque and lapel pin at the Opening General Session during the OAR Convention in Columbus, Sept. 20-23. A news release will be issued to the recipient's media.
