FOR IMMEDIATE RELEASE: September 25, 2003
 RE: Ohio's Home Sale Activity Report – August 2003

Home sales activity throughout Ohio continued to sizzle in August, helping to keep the market ahead of the record breaking levels of one year ago, reports the Ohio Association of REALTORS[®].

“The marketplace has been very strong during the first eight months of the year – posting great numbers in August and, keeping us on pace for record-breaking results in 2003,” said OAR President Bonnie Boyd. “Real estate continues to be the true bright spot in the economy.”

“Despite a slight rise in interest rates, consumers are still able to enjoy extremely favorable financing conditions. Additionally, our markets offer an excellent array of housing in most every price category,” Boyd said. “It’s clearly evident that Ohioans are sold on making the American Dream of homeownership a reality.”

Statewide sales of new and existing homes (January through August) totaled 86,660, a 6.8 percent increase from the prior record of 81,138 sales posted during the period in 2002.

The state’s average sale price (January-August) of \$149,741 marks a 4.1 percent increase from the \$143,866 average posted during the period in 2002. The total dollar volume of \$13 billion is 11.2 percent ahead of the \$11.6 billion level posted during the eight-month period in 2002.

Sales in August 2003 reached a record-breaking 13,873, an 18.2 percent increase from the 11,737 sales posted during the month last year, which previously served as the market’s best-ever. The month’s average sales price of \$156,932 is 4.6 percent ahead of the August 2002 mark of \$150,091.

The 31,000-member Ohio Association of REALTORS[®], the largest professional trade organization in the state, calculates its home sale figures based on statistics provided by the Multiple Listing Services (MLS) throughout Ohio. Participating MLSes include: Ashland, Cincinnati, Columbus, Centralized Real Estate Information Services, Dayton, Firelands, Greater Portsmouth, Heartland, Knox, Lancaster, Licking, Mansfield, Marion, Northern Ohio Regional Multiple Listing Service, Scioto Valley, Toledo, West Central, Western Regional Information Systems & Technology and Zanesville. Figures include both new and existing home sales, including single-family and condominiums.

{NOTE: There might be a slight variance between the reported number of sales contained in this release and actual activity in the various markets due to OAR’s early reporting requirement. Check with contacts in the particular market.}
