Financial Policy #98-A PRESIDENT'S DISCRETIONARY FUND

It is in the interests of the Association and its members to provide a personal expense stipend in the amount of \$5000 to the current-year President, which may be used for any purpose as determined solely by him/her. At the conclusion of the President's term, any unused portion of the stipend shall be paid directly to him/her and shall not carry forward to the ensuing year.

(Created: 1997; Revised: 2000)

The Association shall provide reimbursement of expenses limited to travel, food, lodging and registration fees in connection with attending the regularly scheduled NAR Meetings for the Ohio REALTORS immediate past president. (Created: 2019)

Financial Policy #20-F WE STAND INITIATIVE RESERVE FUND FINANCIAL SUPPORT GUIDELINES

Specifically, the We Stand Initiative funding is intended to provide support for potential future candidates' campaigns for NAR office.

Financial support will be provided in two arenas. NAR meeting attendance and other State and Regional meetings and necessary campaign expenses to build awareness of support for the candidate. Funds allocated each year for this purpose will be recommended by the NAR Strategy Committee for the approval of the Finance Committee. Upon approval of the budget, individual expenses applied to the initiative will be at the discretion of the NAR Strategy Committee in accordance with the following parameters.

NAR Meetings

Travel expenses will be provided for (endorsed) future candidate and their spouse or partner for two key NAR business meetings per year, including the Midyear Meetings in May in Washington DC, and the Annual NAR Conference in November. In addition, financial support would also be extended to the Broker Summit.

State and Regional Meetings

Travel expenses for the potential candidate (endorsed) and their spouse or partner to participate in meetings in other states or regions. However, such participation will only be financially supported when the (endorsed) candidate has been invited by the Leadership of that State or Region to attend and has a speaking role during the event.

Ohio REALTORS or Ohio Local Board Meetings and Events

The We Stand initiative is meant to support an Ambassador role outside the state of Ohio, the resources of the We Stand initiative will not be allocated or expended to attend Ohio REALTORS or Local Ohio Association meetings. This is not to be considered discouragement of attending those important events, but rather in recognition of the purpose of this initiative, which is not best served by attending events within the state.

In all cases where the Ohio REALTORS is financially supporting meeting participation, the potential future candidate (endorsed) is expected to communicate with the NAR Strategy Committee in advance of the event regarding plans for making the best use of the experience. At the conclusion of the event a written summary of the event, relevant agendas and description of the activities the candidate engaged in should be provided back to the members of the Strategy Committee and the CEO. The report should include a description of the outcomes as a result of their attendance, relationships cultivated and any potential need for follow up communications to the event host.

Campaign Activities

Campaign activities include activities such as expanded campaign opportunities held in conjunction with NAR Meetings. Production and distribution of campaign materials i.e., letters, videos, etc., services of outside vendors for professional services, speaking, technology training are also permitted expenses

Legal & Administrative Policy #05B -- CRISIS MANAGEMENT POLICIES

The Strategy included in the Strategic Plan addressing this matter assumes the Association has no process in place to replace key staff members in the event they leave the Association or are no longer capable of performing their duties. In fact, the authority and responsibility for hiring, training, evaluating and retaining competent staff lies with the CEO. Thus, in the view of the task force, it is only necessary for the Association to have a plan in place to address the loss of the CEO. In the event of the actual or potential loss of the CEO, the President shall serve as Chairman of a Search Committee comprised of the three current officers, the immediate past President and one additional member of the current Executive Committee selected by the President. It shall be the responsibility of the Search Committee to develop and implement an interim plan as may be necessary and appropriate, conduct a search for a qualified replacement for the CEO and recommend the terms under which the replacement should be hired.

(Created: 2005)

Legal & Administrative Policy #05-B CEO SUCCESSION PLAN

Ohio REALTORS Succession Plan Policy -- This policy is to establish a succession should the Chief Executive Officer (CEO) position of the Ohio REALTORS® become vacant or the Executive Committee has been notified of a pending vacancy in the position. There are three scenarios covered under this policy:

- Temporary Absence
- Unplanned Departure
- Planned Departure

In addition, it provides the details and execution of a CEO Search Committee to fill a vacancy.

This succession plan will guide the organization through the transition and gives the proper authority to the individuals mentioned here within to carry out this policy.

This plan should be presented annually as part of the CEO review process. At any time prior to that should a change in employment of any person deemed in the line of succession occur, the CEO shall immediately amend this document and present it to the Executive Committee at their next scheduled meeting.

Temporary Absence: Temporary CEO Succession Plan (see Appendix I & Appendix II)

In the event of a temporary CEO absence either through temporary incapacitation or a leave of absence that is long enough that the Executive Committee deems the need to enact the Temporary CEO Succession Plan.

The current CEO will identify by name, not title, the #1 and #2 staff members in the succession plan as stated in Appendix II. If the departure of either of those staff members occurs prior to the departure of the CEO, the CEO shall immediately update the document with an alternate successor. Appendix II shall be reviewed and updated, if necessary, annually.

The current CEO Employment Contract will dictate the length of time that is considered “temporary” along with salary, benefits, etc. during this period.

Neither the Executive Committee nor any officer or director is eligible to fill the role as Interim CEO.

Upon any action of the Executive Committee, the entire Board of Directors shall be immediately notified.

The Interim CEO shall ensure that the Association continues to operate with minimal disruption and that all organizational commitments previously made are adequately executed. The Interim CEO shall have the full power of the bylaws and policies of the Ohio REALTORS® and its subsidiaries provide.

APPENDIX I: Temporary CEO Absence Succession Guidance

In addition to executing the Temporary Absence CEO Succession Plan, the following guidance is provided to give the Executive Committee a path to follow to ensure all steps are met.

To do immediately (within 24 hours):

1. Sharon Sample, Vice President Board Services & Officer Liaison
2. Peg Ritenour, Vice President of Legal Services

If the departure of either of these staff members occurs prior to the departure of the CEO, the CEO shall immediately update this document with an alternate successor. This document should be reviewed and updated, if necessary, annually

If Sharon Sample is unable, unwilling, or the position is vacant, the Vice President for Legal Services, Peg Ritenour, will be named Interim CEO. If Peg Ritenour is unable or unwilling to serve in this capacity, or the position is vacant, then the Executive Committee shall meet or convene a conference call immediately and either name a staff member as the Interim CEO or hire a temporary consultant with executive experience to fulfill the role.

Unplanned Departure: Emergency CEO Succession Plan (see Appendix III: Emergency CEO Succession Plan Guidance)

Circumstances that trigger implementation of the Emergency Succession Plan:

- Death of CEO;
- CEO becomes permanently incapacitated;
- CEO's employment ends and its effective date is not enough time to implement the Planned Departure Succession Plan.

The order of succession shall be the same as in a temporary absence situation following the checklist in Appendix I of this policy.

- The President should convene a meeting of the Executive Committee to discuss any recommendations to the Executive Committee for temporary or bonus pay for the Interim CEO; conduct a brief assessment of organizational

strengths, weaknesses, opportunities and threats to identify priority issues that may need to be addressed during the transition process.

- CEO Search Committee Chair calls initial meeting of the committee and the committee considers the following:
 - a. Establish a timeline for the process;
 - b. Provide updates to the staff, the Board of Directors, and the members as to the timeline and the process decided upon in a timely and transparent manner.
 - c. Identify attributes and characteristics that are needed in the next Chief Executive Officer.

Planned Departure: Planned Departure CEO Succession Plan (see Appendix IV: Planned Departure CEO Succession Plan Guidance Appendix)

Circumstances that trigger the implementation of this Planned Departure Succession Plan:

- CEO announces retirement or departure at a date the Planned Departure Succession Plan can be implemented;
- CEO's employment ends and its effective date is enough time to implement the Planned Departure Succession Plan.

In the event that one of the circumstances occurs that triggers the Planned Departure Succession Plan, the Executive Committee should immediately convene. If timeline provides a gap between when the CEO leaves and a new one is in place, the Executive Committee will confirm the staff member indicated as choice #1 in Appendix II as Interim CEO effective on a particular date. The Executive Committee cannot leave the position vacant or name the Executive Committee or the current or incoming Leadership Team as the Interim CEO.

Upon any action of the Executive Committee, the entire Board of Directors shall be immediately notified.

Appendix IV: Planned Departure CEO Succession Plan

In addition to executing the Planned CEO Succession Plan, the following guidance is provided to give the President, the Executive Committee, and the Board of Directors a path to follow to ensure all steps are met.

- CEO Search Committee Chair calls initial meeting of the committee and the committee considers the following:
 - a. Establish a timeline for the process;
 - b. The outgoing CEO should assist as much as the Search Committee wishes them to participate.
 - c. Identify attributes and characteristics that are needed in the next Chief Executive Officer.

CEO Search Committee

Upon either an Unplanned Departure or a Planned Departure, a CEO Search Committee should immediately be appointed. This committee shall have the authority to compile and recommend a process and budget to the Ohio REALTORS® Executive Committee for approval to fill the vacant position. This should be done prior to the next scheduled Executive Committee meeting or by a special meeting to address the matter.

The Search Committee shall be comprised of:

- Current Leadership Team (President, President-elect, Treasurer)

If the vacancy occurs after officers have been elected for the following year, the CEO Search Committee should be made up of those officers for the following year instead of the current year; however, the role of the President in this policy shall be the current year's President. The meetings of the CEO Search Committee shall be confidential and are closed to only the members of the committee.

The Search Committee shall have the power to extend an offer to a CEO Candidate and enter into a pre-employment agreement, within financial parameters established by the Ohio REALTORS® Executive Committee.

Search Committee Guidelines:

- There should always be clear consensus on the approval of a candidate. If the vote is split, the Search Committee should then reconsider their choice of candidate.
- The Search Committee shall have the power to extend an offer to a CEO Candidate and enter into a pre-employment agreement, within financial parameters established by the Ohio REALTORS® Executive Committee.
- A national search will be conducted for the CEO vacancy. Internal candidates will need to apply and will be required to go through the same search process as all other candidates. The Ohio REALTORS membership will be notified when the search begins.
- The Search Committee will manage all aspects of the search, including hiring a search firm to assist, reviewing resumes, interviewing candidates, and planning for staff opportunities to meet candidates, as applicable and appropriate.
- The meetings of the CEO Search Committee shall be closed to only the members of the committee. All meeting discussions, documentation, etc. of the Search Committee are confidential.

Duties of the Interim CEO:

The Interim CEO shall ensure that the organization continues to operate without disruption and that all prior commitments are appropriately executed, including but not limited to any speaking engagements; financial or contractual obligations; reports, licenses, tax returns, certifications, and membership renewals; and any other obligations to any creditors and other stakeholders.

- If new hiring processes, operational expenditures more than \$5,000 or staff dismissals are deemed critical to effective functioning or business interests, the Interim CEO may seek approval from the Leadership Team to initiate them. In compliance with federal and state laws, your request will be documented immediately. Please allow up to 30 days for your telephone number to be removed from any sales programs that are currently underway.

- Your request can be in writing or by phone and must include, at a minimum, your telephone number.

Therefore, if you are an Ohio REALTORS’ customer, you may be contacted by the Ohio REALTORS even though you are on these other “do not call” lists. If you do not want to be contacted by the Ohio REALTORS even though you are a customer, simply follow the steps above to be placed on the Ohio REALTORS’ “Do Not Call” list and your request will be honored.

Being on the Ohio REALTORS’ “Do Not Call” list means that you will not receive sales calls by anybody representing the Ohio REALTORS. We may still contact you, however, for non-solicitation purposes.

If the Chief Executive Officer is also the accused party in the complaint, the report of the investigatory team shall be delivered to the President and authority for the final resolution of all charges and the determination of appropriate sanctions shall rest with the President with the advice of the Association's legal counsel.
 - 2. Complaints Directed Against Members. If the complaint is directed against a member of the Association, the report of the Investigatory Team shall be delivered to the President, unless he or she is also the accused party in the complaint, and authority for the final resolution of all charges and the determination of appropriate sanctions shall rest with the President with the advice of the Association's legal counsel. If the President is also the accused party in the complaint, the report of the Investigatory Team shall be delivered to the highest-ranking elected officer not named as the accused party in the complaint and authority for the final resolution of all charges and the determination of appropriate sanctions shall rest with such elected officer with the advice of the Association's legal counsel.

V. Disciplinary Action

- A. General. Harassment is a serious offense and any employee or member of the Association found to have engaged in such conduct is subject to disciplinary action, including mandatory counseling, termination of employment, removal from elected office, and any sanction authorized in the Code of Ethics and Arbitration Manual. The removal of a member from an elected association office, the suspension or termination of a member's association membership, or the termination of employment of the Chief Executive Officer shall require the recommendation of the President or the highest-ranking elected officer not named as an accused party in the complaint, together with the voted approval of not less than two-thirds of the Executive Committee.
- B. Retaliation. It is contrary to the policy of the Association for a supervisor, member, or officer to retaliate against an employee or member who initiates a harassment complaint. Complaints of retaliation will be investigated by the same process as outlined above with the employee or member so accused being subject to the same disciplinary sanctions as listed in Section A above.
- C. Complaints without Basis. In the event that the Investigatory Team finds that a complaint of harassment is totally and completely without basis, appropriate disciplinary measures may be taken against the employee or member who brought the complaint. This provision is in no way intended to discourage the filing of complaints alleging harassment but serves to acknowledge that an unfounded charge of harassment can cause serious damage to the accused person's personal reputation and professional career.
- D. Follow-Up. In instances where harassment is found to have occurred, a member of the Investigatory Team will be designated to remain in communication with the Complainant to monitor whether the harassment has been discontinued and to determine if any retaliation has occurred.
